# Science TEACHERS: Sharpen Your STEM Teaching With **Learning Blade** AND Earn \$\$!

## Rewards Program

Learning Blade is an effective and exciting Internet-based tool designed to grab your students' attention while introducing them to the careers, tools and technology found throughout the STEM fields. As a Science teacher in the Guilford County School System, **Learning Blade is available FREE to your students** through grant funding secured by CERT at NC A&T. Using Learning Blade can earn you CASH!

## GCS-Learning Blade Implementation Reward Program

**Middle School Science Teachers** - Implement Learning Blade in **your** classroom, and CERT will send **you** a check for \$75!

To implement Learning Blade in your class you simply need to go to EMERGEinSTEM/Resources/Plug and Play videos for Launching Learning Blade in GCS. It's super easy! Complete the steps in the Video Modules 1-4 and let CERT know when you have completed them. We'll send you a check for \$75!
